Homework

Using Paul's message to the Areopagus (Acts 19:22-31) as a guide how would you share the gospel with one of the following....

A nominal Catholic who has some reverence to the Bible but no depth in it, and no understanding that they can know God personally.

A nominal Muslim who believes in Abraham, David and Jesus but believes that the Bible has been changed.

An agnostic who believes you really can't know if God exists or not.

Use the following questions to guide you presentation:

Who is your intended audience?

What would you use to provide a connection to the Gospel?

How would you share the gospel?

What scriptures or sayings might you use to give your presentation credibility?

What would it explain?

What new information would you provide to your listener?
